

# Protection. Visibility. Compatibility.

## 3M™ Electric Arc Protective Faceshield Series

Designed to help provide protection against the hazards of an electrical arc flash, such as radiant heat, flying debris, and UV radiation.

CE certified to European standards; EN 166 standard for Eye and Face Protection and meets GS-ET-29, the standard for testing and certification of faceshield for electrical work

Compatible with 3M™ FH1 Faceshield Holder and a variety of 3M™ Industrial Safety Helmets

**Easy donning and doffing;** snap-in faceshield holder connection for fast replacement of faceshield

Faceshield made from coated **polycarbonate**, to help minimize the effects of scratches and fogging

Features clear or grey tint allowing for good colour recognition\*\*

Includes 3M™ **Utility Bag** with cinch-closure to help protect the faceshield from dirt and debris when not in use. (WPAF2-0 model only)

Features a **clear chin guard** that extends towards the ears providing additional lateral coverage and unrestricted field of vision in all directions\*

\*Only on 3M™ Electric Arc Protective Faceshield WPAF2-0 model  
\*\*Please see Product Information for SKU specification
